Internship recognition

Information for II year students

PLEASE NOTE: The info in these slides are related to **the internship worth 6 credits** (in alternative to 1 elective course) in the study plan, **NOT to the internship within the DD programme /Erasmus traineeship programme**, which have their own procedures.

General rules for internship recognition

- 6 CREDITS internship

MEDI

Master in Economics,
Development and Innovation

It **MUST** be:

- lasting at least **3 months**, no less than **400 hours**
- be in line with MEDI contents (tasks must be related to what you are studying at MEDI)

PLEASE ALSO NOTE: the internship should be taken in the **II semester of the II year**

How to find your internship

- EXPLOIT the opportunities which may be offered by taking part to **MEDI special events**
- CHECK frequently your academic e-mail address (@universitadipavia.it) where you will be notified about available opportunities
- Check Almalaurea offers at [this link](#)
- Get in contact with C.O.R. (placement@unipv.it) to check opportunities
- Find an internship opportunity yourself

REMEMBER to select the internship in your **study plan**. If, for any reason, you can't do the internship, you will still be able to change the study plan and go back to the two elective courses, even beyond the deadline, without paying any penalty.

Internship in Italy – how to activate it

COMPANIES BASED IN ITALY

IF NOT registered yet, companies based in Italy should register on Almalaurea website [here](#)

Also the student should make sure he is registered on [Almalaurea database](#)

The company should activate the agreement with the university on Almalaurea website [here](#)

They should submit the internship details for approval on Almalaurea

MEDI Director will check the internship and approve it on Almalaurea

End of the internship in Italy - Recognition

At the end of the experience, the company's tutor should provide the information required to confirm the termination of the internship on Almalaurea platform

The internship will be registered in your study career as being worth 6 credits (see slide 2)

PLEASE NOTE

If you are doing an internship within the Erasmus Traineeship programme, follow instructions provided by the Erasmus office on internship recognition

Development and Innovation

Internship abroad – how to activate it

The company's tutor should provide a letter describing the job linked to the internship, the number of hours and total duration of the internship

Submit the tutor's letter to MEDI medi@unipv.it who will forward it to MEDI Director

Wait for approval confirmation from MEDI Director

Internship activation

Companies can follow the same rules specified in the previous slide for Italian companies, referring to the same link. Keep in mind that all forms are in **Italian!**

Otherwise, companies may contact Milena Negri by email milena.negri@unipv.it in order to get documentation in English

PLEASE NOTE: If you want to find an internship abroad, you can also consider the **Erasmus+ Traineeship Program**, according to its rules and deadlines; however, bear in mind that the internship must meet all the requirements previously mentioned.

End of the internship abroad- Recognition

At the end of the experience, the company's tutor should write a letter (on company's letterhead paper) confirming the end of the internship, its duration and a brief assessment of the student's job

The letter should be sent to medi@unipv.it for MEDI Director to approve the recognition

The internship will be registered in your study career as being worth 6 credits (see slide 2)

PLEASE NOTE

If you are doing an internship within the Erasmus Traineeship programme, follow instructions provided from the Erasmus office on internship recognition
